The food is very good, the full English is spot on and a lovely choice of scrummy suppers. My room was very comfortable (lovely bed) and spotlessly clean, as was the rest of the hotel. Wonderful friendly staff. There are two very good clay pigeon shoots within a ten minute drive, which is the reason I come down, usually with four or so friends. We all had a super time, and will be back again in March 2017.
