

# The Carlton

an hotel with provenance

## COMMUNITY

### Reducing food waste

By using whole ingredients and sharing surplus food with our neighbours.

## SUSTAINABILITY

### North Devon's Larder

Buying from trusted local suppliers. Fresh fish from Ilfracombe & Appledore. West Country & Exmoor National Park meats. And vegetables from the Great Field at Braunton.

## RESPONSIBILITY

### Biosphere Supporter

Accredited business partner with North Devon's biosphere.

## Adapted Rooms

Step free access to most of the hotel, adapted bedrooms and wet rooms.

## Lighting

LED throughout with sensor activation.

## Bat boxes to improve wildlife

Along with our planted wild flower meadow

## Collaboration

We love working with other likeminded, small enterprises and businesses.

## Tap Water

Offered at all meal times.

## EV charge point

Available in our car park 24/7.

## Youth

Offering work placements through the year.

## Maintenance

All equipment is regularly checked and inspected to ensure efficient, optimum as well as safe usage

## Seasonality

Taking full advantage of seasonal food and drink from the South West. Reducing food miles.

## IBTA

We're active members of our towns tourism & business association

## Fat Oil Grease traps

We've install FOG traps to ensure only water enters the drains and sewers and into the sea.
