New Year on the Coast

Leave the cooking, the washing up and the planning behind, and enjoy a relaxing New Year break on the North Devon coast.

Spend your mornings over a leisurely breakfast, explore Ilfracombe's harbour and coastline at your own pace, then return to The Carlton for afternoon tea, freshly prepared dinners and comfortable surroundings.

Winter is one of the most peaceful times to discover this corner of Devon. Walk a section of the South West Coast Path, admire the dramatic coastal scenery, visit local galleries and independent shops, or simply enjoy the slower pace that the season brings.

As the year draws to a close, join us for our Gala Dinner and Dance, raise a glass with fellow guests, and welcome the New Year in style.

Food, relaxation and good company – just as a New Year break should be.

Creative Scene

From Damien Hirst's Verity overlooking the harbour to independent galleries, artisan food producers and local shops, Ilfracombe has a thriving creative spirit. Many are within easy walking distance of the hotel.

Wellness

Treat yourself to a massage, facial or wellness treatment during your stay. We work with nearby Kin Wellness and would be pleased to arrange appointments on your behalf.
